The minutes were agreed as a correct record.

AA 09/02 **Annual Report 2008/09**
The Clerk to the Council talked to those present regarding the details contained within the Annual Report.

AA 09/03 **Matters of Public Interest**
Mr J Barnett advised that several members of the public had approached him regarding the possibility of erecting three flagpoles in the Memorial Park which potentially could be used for H.M. Armed Forces flags during the annual Remembrance Day service. The Chairman advised that this be submitted to Full Council for a future meeting as a resolution was required.

Mr J Barnett advised that some residents perceived no useful purpose in the Annual Assembly which may have accounted for a low attendance by the public. The Clerk advised that Horden Parish Council would be reviewing its community engagement arrangements in 2009 and develop a Community Engagement Strategy.

The Chairman and the Clerk to the Council thanked those present for their attendance and input.
